Human

Ok yeah, the service can be a little high falutin', and the wait is painful but this is THE BEST BURGER EVER. That's all you need to know. The BEST.

GPT-3.5-Turbo

Despite the slightly pretentious service and long wait, this restaurant undeniably serves the best burger you will ever taste.

GPT

Despite the pretentious service and long wait, this place serves the absolute best burger. That's all you need to know.

Despite pretentious service and long wait, this place serves the best burger you'll ever taste.
